

## **EMILIA HOYLE – PLACEMENT STUDENT**

Heat Trace welcomes Emilia Hoyle, who has joined the company for some business experience whilst presently studying at Helsby High School.

Emilia Hoyle was selected by her school for a work placement at Heat Trace. Emilia, 17, is presently working with Hazel in Sales Order Processing until her A levels start and then will join Heat Trace in August/September time to complete a Gap Year Placement or an Apprenticeship in the Marketing/ Business Area. Emilia has experience in working in a family business environment in the organisation of the British Karting Championship Super One. Also having gained work experience at the Mercedes GP Formula One team in Marketing and Estate Management at Bolesworth Estate.

Emilia is currently completing A levels in Economics, ICT and Mathematics at Helsby after gaining 15 GCSE's with the majority of grades being A. Emilia's interests are baking, water and snow sports. Emilia has also achieved black belt in jujitsu.
